

LEGACY CIRCLE

Boulder Junction
Community Foundation

How would you like to be remembered?

What type of impact do you want to have on the causes that matter to you? As you make plans for the future, these are important questions to consider. If you are like many others in our community, developing a planned gift may be part of your response.

Joining the Boulder Junction Community Foundation's Legacy Circle offers you a way to make a gift during or after your lifetime. These gifts are created to help you meet your personal, financial, philanthropic, and estate planning goals.

HOW IT WORKS

- You include the Community Foundation in your will as a bequest. We can help you or your attorney with the recommended language.
- You determine the type of fund you would like to establish with your gift.
- Upon your death, we set up a fund in your name, in the name of your family, or in honor of any person or organization you choose.
- Our professional program staff considers your charitable wishes and determines the areas of community need that would be most impacted by grants from your gift.
- Our board issues grants in the name of the fund you establish (if you prefer, grants can be made anonymously).
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift – and all future earnings from your gift – is a permanent source of community capital, helping to do good work forever.

Our knowledgeable staff is ready to assist you, and we invite you to join the Legacy Circle by filling out our statement of intent. You will be joining a list of community-minded individuals who have notified us of their plans to leave a lasting gift to our community.

TOM & SALLY BASTING'S LEGACY

Sally and I have had a home in Boulder Junction for three decades and have witnessed the positive impact of the Boulder Junction Community Foundation. The establishment of the Foundation brought about a new and enduring philanthropic endowment, a first of its kind in our small town. The founders and subsequent contributors have worked tirelessly to create a sustainable source of resources that drives positive change within the community now and far into the future.

The Foundation's ability to harness resources from within our rural community exemplifies the strength and generosity of residents, demonstrating that even in a small town, profound change and lasting impact can be achieved through collective philanthropy.

We salute the Foundation's success which reflects the spirit of generosity and unity that characterizes Boulder Junction, showcasing how a shared vision and commitment to giving back can shape a brighter future for all residents.
